# I BELONG ON YOUR FRIDGE

## THIS FEBRUARY AT THE BIOSCOPE

Open 7 days a week, The Bioscope is Joburg's only truly independent cinema. The schedule often includes live music, special talks, screenings of rare films, and unique film festivals throughout the year.

With Chalkboard Collaboration Café being en suite to the cinema, pizza, popcorn and craft beer can all be enjoyed while watching a film.

### TICKETS

FOR ALL REGULAR SCREENINGS  
UNLESS STATED ON THE PROGRAM
